

SECOND STORY FOR WHITE HOUSE; TO LET COURTHOUSE CONTRACT

New County Building Will Cost \$400,000 and Have Jail on Roof; High School Building Contract Let; Mt. Sinai to Have New Temple; Manhattan Heights Being Paved; \$5000 Tenement House Being Built.

Plans are being drawn for a second story to the White House building. The addition will be on the east end of the building, occupying the lot between the highway and the highway. The improvements will be extensive, but no announcement has been made as yet of the cost of the work. The plans are being drawn by the architect, and the building will be completed in the near future.

It will be six stories in height, with a frontage of 250 feet on San Antonio street, with two wings, each extending back 120 feet on the Kansas and Campbell street sides. The new structure will be built around the old building, which will be torn down as soon as the new structure shall have been completed. The plans, prepared by the architect, show a thoroughly modern building, with the jail occupying the entire top floor.

New School Addition. On the following Monday bids will be opened for the construction of an addition to the Alta Vista school, to cost about \$100,000. The new work will more than double the capacity of the school. Plans for the new structure are being drawn for the congregation of Mt. Sinai temple. The temple, which will cost about \$50,000, will be built at the southeast corner of Montana and North Oregon streets. The architect is preparing the plans.

High School Awarded. The school board on Monday night formally let the contract to the American Construction company, of Houston, Tex., for the construction of a high school building.

NEGRO PORTER IS STABBED; TWO NEGROES ARRESTED

Walter Statum, aged 30 years, and a negro porter at the Lobby Bar, was seriously cut at the Jockey Club saloon at Second and Oregon streets at 2:20 o'clock Friday afternoon. Statum was cut by a razor sharp knife across the abdomen which extended half around the waist line, a second cut upon the left shoulder of nine inches and a cut upon the head, not so serious in character. Will Hardy and E. Spencer, both negroes, are under arrest in connection with the crime.

Statum lives at 4113 Ross street, and the three surgeons who worked with him at the hospital, a crash in the hospital where he was brought, do not hold out any hope for his recovery. The abdominal cut did not reach any vital organs, but the shock and loss of blood, physicians stated, were enough to bring death.

The arrest of Will Hardy and E. Spencer was made by officers Tom Armstrong and James A. Arrendell. Both men will be transferred to the county jail, complaint having been made in justice J. M. Deaver's court on the charge of assault to murder.

Thrifless

It's well to be sunny and frisky and gay, if one has some money in brine put away; if we have the plunder where thieves cannot steal, it's surely no wonder if chipper we feel. But some folks don't borrow an ounce weight of care, they heed not tomorrow, when thieves may be bare. And, not a thought giving to what may befall, "We'll live while we're living," they cheerily call, "eat, drink, and be merry, tomorrow we die, and death with his wherry will soon saddle by." And then when tomorrow comes trailing along, all loaded with sorrow and things going wrong, the roystering grumble and murmur and yelp, and send out a humble petition for help. "Oh, come, come, a-flying"—you've heard their old tunes—"four children are crying for codfish and prunes! Be good to us, neighbors, we need food and coal, and you, by your labors, have piled up a roll! With hunger we sicken, we languish and die! Oh, bring pars, fried chicken and pretzels and pie!" Each winter the thrifless send up the old wail, the heedless, the shiftless, the fellows who fail.

GARY SYSTEM IS HIGHLY PRaised

Pres. Whitaker, of School Board, Tells Alta Vistas It is Making Good.

"The capacity of the schools has been increased 22 1/2 percent as a result of the inauguration of the Gary system," declared R. M. Whitaker, president of the school board, at the annual meeting of the Alta Vista Improvement club, at the Alta Vista school house Friday night.

Mr. Whitaker strongly defended the system and paid tribute to the wisdom of Supt. R. J. Tighe in recommending the system as the best solution of the problem of taking care of the greatly increased school attendance. He stated that the playground movement had spread to 153 cities and was popular movement throughout the country.

Opposed by Those Having No Children. The opposition to our present system in the public school has come largely from people who have no children in the schools. Mr. Whitaker continued, "I have in mind one man who has been particularly active in public print. This man has no children in the public schools. He has, I have been informed, a relative in the high school, but our system does not affect that school."

No Division on Honor. Mr. Whitaker stated that while the school board was divided politically, it had been no division on honor. It was during the deliberations of the school board since he had been a member. In our actions and in our words, we have been united. I come before you to ask your cooperation in our efforts to better the condition of our city school system.
